From: Carlos A. Gimenez 
Mayor

Subject: Award Recommendations of up to \$9,528,944.00 of FY 2015 Documentary Stamp Surtax and State Housing Initiatives Partnership Program Funding

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the proposed funding recommendations for up to \$9,528,944.00 for the FY 2015 Request for Applications (RFA) for the Documentary Stamp Surtax (Surtax) Program and State Housing Initiatives Partnership (SHIP) Program identified in Exhibit 1 (attached). This item recommends funding for new construction multi-family rental housing, homeownership acquisition, rehabilitation, homebuyer counseling, and education activities that applied in the FY 2015 Request for Applications. Additionally, it is recommended that the Board authorize the County Mayor or County Mayor's designee to execute all letters of commitment, contracts, agreements, and amendments pursuant to the proposed Surtax funding recommendations.

Scope

This item has a distinct impact on the funding associated with multi-family rental housing in Commission District 3, represented by Commissioner Audrey M. Edmonson. This item has a countywide impact on homeownership acquisition and rehabilitation, specifically in the Liberty City, Little Haiti and West Little River areas.

Fiscal Impact/Funding Source

The Department is seeking authorization to allocate \$4 million of Surtax funds to support the County's First Time Homebuyer Program, a program that provides mortgage subsidies to low-to-moderate income first-time homebuyers in Miami-Dade County. An additional \$1 million is requested for homeowner rehabilitation activities administered by the Community Action and Human Services Department. Exhibit 1 contains the proposed funding recommendations. The award of Surtax and SHIP funds will not have a negative fiscal impact on the County's General Fund.

Table 1 below summarizes the proposed use of FY 2015 Surtax and SHIP funding:

Track Record/Monitor

Michael Liu, Director of the Public Housing and Community Development Department (Department), will monitor all Surtax and SHIP activities. The Department will continue to monitor the projects to ensure compliance with State and County guidelines and policies.

Background

The FY 2015 RFA was made available on May 27, 2015 and applications were due by June 29, 2015. The public was advised of the application process through the posting of the notice on the Department's website and through email distribution to all currently funded agencies. Prior to the issuance of the RFA, the Department solicited comments on the document from the public through two (2) roundtable meetings for developers held on March 4, 2015 and April 6, 2015. The RFA included the provisions of Resolutions Nos. R-343-15 and R-346-15, which define and limit the total amount of Surtax funds that may be awarded to a percentage of the Total Development Cost and establish a Maximum Total Development Cost per Unit of Surtax funds that may be awarded for affordable housing projects. All proposals were reviewed and scored by a selection committee.

The FY 2015 Surtax and SHIP RFA was issued with \$22,077,500.00 in available funding. Applications for FY 2015 Surtax/SHIP funding were solicited through the Department's RFA process. Under the FY 2015 RFA, Surtax and SHIP funds are prioritized or targeted for those projects requiring "gap" financing for developments. The FY 2015 Surtax RFA prioritized the Liberty City area for multi-family rental housing, homeownership acquisition rehabilitation, and small developments. The Little Haiti and West Little River areas had priorities for homeownership acquisition and rehabilitation. The funding requests for Surtax and SHIP funds through the RFA process totaled \$18,753,823.00, including \$14,234,466.00 for multi-family rental housing projects; \$1,999,357.00 for homeownership acquisition rehabilitation projects; \$1,500,000.00 for small development Liberty City projects; and \$1,020,000.00 for homebuyer education activities throughout Miami-Dade County.

The Department is also seeking authorization to allocate \$4 million of Surtax funds to support the County's First Time Homebuyer Program, a program that provides mortgage subsidies to low-to-moderate income first-time homebuyers in Miami-Dade County. An additional \$1 million of Surtax funding is requested for homeowner rehabilitation activities administered by the Department.

The proposed FY 2015 Surtax/SHIP funding recommendations total \$9,528,944.00 for a multi-family affordable housing project, and homebuyer counseling and education. The multi-family affordable housing award recommendation is for \$613,578.00 to HTG Miami-Dade 5, LLC for Wagner Creek, a 73-unit, new construction multi-family rental housing mixed income development. The small development Liberty City affordable housing award recommendation is for \$1,416,009.00 to Coalition Lift, LLC for Coalition Lift, a 34-unit rehabilitation project for chronically homeless individuals. The recommendations for award are based on a full credit underwriting review and positive recommendations of the projects' financial feasibility which was conducted by First Housing Development Corp of Florida located in Tampa, Florida.

Homeownership acquisition and rehabilitation funds are recommended to Cazo Construction Corporation for new construction of single-family homes in has a countywide impact on homeownership acquisition and rehabilitation, specifically in the Liberty City, Little Haiti and West Little River areas totaling \$1,999,357.00 under the FY 2015 Surtax RFA. Homebuyer counseling and education award recommendations are based on highest ranked proposals and total \$500,000.00.

Funding recommendations for multi-family affordable housing developments are pursuant to a full credit underwriting analysis, which has been completed prior to submission of this item for Board approval. The Department will submit additional items to the Board to recommend funding to affordable rental housing and homeownership projects upon conclusion of full credit underwriting for feasible projects. A due diligence review, as required by Resolution No. R-630-13, was conducted. The resolution requires a report of findings to accompany all recommendations for the commitment of County funds. The Department's diligence review found no negative information concerning the recommended entities.
